

Are you interested in having a Hearing Loss and Accessibility Expo at your retirement home?

WHAT IS IT ABOUT?

This expo will provide in-depth understanding about hearing loss and accessibility, as well as provide resources on available equipment through presentations and hands-on vendor visits.

WHO CAN JOIN?

Retirement home residents, family members, friends, professionals or community advocates who are interested in learning more about accommodations for people with hearing loss.

EVENT TIMEFRAME:

Two hours; including a one-hour presentation, followed by an hour of time to visit vendor's booths.

VENDOR INFORMATION INCLUDES:

- Equipment Distribution Service Program
- CapTel NC (Captioned Telephone) – Telecommunication Services
- Hearing Loss Organization/Support Group
- Emergency Equipment Program
- Hearing Aid Program

PRESENTERS:

- One-hour PowerPoint presentation delivered by consultants, state staff and representatives

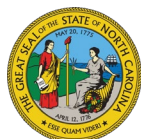

ACCOMMODATIONS PROVIDED:

- Assistive Listening Devices (ALDs)
