

# Reconnect with others, even when you're far away.

Hearing loss shouldn't keep you  
from connecting on the phone.

## Veterans with hearing loss receive:

- No-cost phone
- No-cost captioning service
- No contracts
- In-home set up available

With a CapTel phone, it is easy to catch virtually every word. You see captions of your call, so you can always follow what is being said.

The CapTel phone, captioning service and installation are all provided at no cost. CapTel works with your existing home telephone service. So, use the phone with confidence and connect with all your friends again.
