

Have difficulty understanding on conference calls?

Relay Conference Captioning

Ideal Solution

Relay Conference Captioning (RCC) is a no-cost service available to North Carolina residents who have hearing loss and actively participate in conference calls, virtual meetings or webinars by reading live captions via a web browser on an internet-connected computer, tablet or mobile phone.

Benefits

- High quality captions
- Remote connections
- Ability to save, e-mail or print transcripts
- Adjustable background color & font size
- SSL Encryption included

Examples of using RCC

- Professional meetings
- Group supports
- Book clubs
- Continuing education online classes
- Webinars

Trainings & Webinars Available

Webinars, trainings and support are available virtually or in person on how to use RCC.

Contact us today if interested.
